After you mail this form to the PSC Treasurer, he or she will hide your name and your child's name and any personal identifiers in your request, and send copies to the other two members of the PSC Scholarship Committee (the PSC President and a PSC Board Member selected on a rotating basis), who will review the application. In some cases they may ask the Treasurer to ask you to supply additional information (i.e., last year's tax return). This three-member committee will process all requests in a timely manner. If you know the PSC Treasurer and would be more comfortable sending the application to the PSC President, you can do that instead.

At the PSC Club meeting when fees are due, which will usually happen before the Scholarship Committee can meet, please give to your team manager a sealed envelope that says "To PSC Treasurer" and "PSC Fee for (your child's name)" on the outside, and inside contains a note that simply says you have applied for a scholarship. This envelope will be turned in to the Treasurer with the other checks from your team. It may facilitate matters to let your manager and/or coach know you've applied. To protect your privacy the best we can, at most the only three people who will know of this are the Treasurer, and possibly your manager and/or coach.
